

Thom's Summertime Full Moon Paddle and Social
Saturday, July 8, 2017 @ 7:00pm
5219 Trentwoods Drive New Bern, NC

Let's gather at Thom's house for a beautiful lazy summertime full moon paddle and social. Meet at 7:00pm in Thom's backyard, launch onto the Trent and spend a couple hours watching the sun go down and the full moon come up. This will be a slow, easy, relaxed paddle so that we can all enjoy the scenery. If you want to head out faster and farther, which is OK, please inform one of the leaders and don't go alone!

There may be a few kayaks available, so if you don't own one or just don't want to deal with loading up in the dark, please let Thom know that you want to reserve a kayak. They will probably be reserved fast so don't delay!

After the paddle, Thom will provide wine and cheese, we can sit around the fire and relax with friends. Please BYOB. Light snacks will be provided.

Depending on tides and water levels, launching can be a bit tricky at this location. There will be folks available to assist you in and out of your kayak, please let someone help if you are at all uncomfortable.

Cancellation, due to weather, high water, or unsuitable conditions will be
NO LATER THAN 8PM on Friday, July 7th.

SAFETY FIRST!

*****YOU MUST WEAR A PFD AT ALL TIMES WHILE ON THE WATER*****
