We will paddle from Jack’s Island to Union Point and continue up the Neuse River along the waterfront to a point adjacent to Broad Street. We then return to Jack’s Island. This paddle takes us around the marina and under the new bridge. Hot refreshments served following the paddle! If the water is rough on the Neuse, an alternate short paddle up the Trent may be used.

If you feel uncomfortable paddling in cold weather, please join us anyway. Enjoy some warm refreshments, good company and offer support to our local paddle club!
