Old Business:

Officers: Randy remains as president for 2021, and Michael Murrie is serving as secretary. Members affirmed Mary Traina as the new Treasurer and authorized to dispense funds and sign checks for the club. Randy advised members that William Sadler is no longer an officer and not serving as treasurer. Members decided to remove his authorization to sign checks for the club.

Past paddles and events: Turnout was good for the New Year's paddle.

New Business:

Upcoming Paddles and events: None scheduled during winter months.

There was discussion about getting a club membership in the American Canoe Association (ACA). It would offer professional training and possibly certifications for members providing instruction locally. This could potentially reduce liability when offering classes and other instruction. Randy urged members to investigate the ACA and consider advantages or disadvantages of club membership. More discussion will be scheduled for the next meeting.

Meeting adjourned 6:55 p.m.
