

## *Twin Rivers Paddle Club*

### **CRAVEN COUNTY RECREATION AND PARKS DEPARTMENT**

1821 Old Airport Road, New Bern, N.C. 28562

#### **SPECIAL MEETING MINUTES September 13, 2022**

Meeting was called to order at approximately 6:10. There were 9 people in attendance. Linda Martin made sure we satisfied our sugar cravings by serving us “millionaire bars” Yum. Randy Siler presided over the meeting. Randy showed us the new business cards and pamphlets. The business cards have “QR code” and it can be scanned and takes you right to the TRPC website. These cards and pamphlets will be available at Mumfest, October 8 and 9.

Mumfest booth site will be announced at a later day once Randy gets info. The booth is covered for Saturday but we are lacking volunteers for Sunday morning. Volunteers can still sign up thru Sign Up Genius.

[TRPC @ Mumfest '22](#)

Randy proposed a Demo Day for 1 p.m. Sunday, October 15 at Lawson Creek Park. We will set up on Jacks Island. If unavailable, we are looking at the site at the entrance to the left of the football/soccer field. Members are encouraged to bring their kayaks and PFDs for interested parties to try. We are reaching out to Liane of Inner Banks in Washington to see if she has interest to come and bring some of her kayaks.

Terry Rich, safety officer, gave us an informative safety talk on the importance of choosing the correct PFD with respect to size, fit, and the correct way to wear the device. He also mentioned valuable information on what a safe paddler should have on/ with the PFD. Whistle, ID ( good idea, expired driver’s license).

Meeting adjourned at 6:59

Mary Traina substituting for secretary

**NEXT MEETING: Tuesday, October 11, at the offices of the Craven County  
Recreation and Parks Department, 1821 Old Airport Road, New  
Bern, NC.**
